

# Proclamation

In recognition of imminent fire danger in Hurricane City and its surrounds and

**Whereas** the Hurricane City Council has authorized the Mayor, in consultation with the Hurricane Valley Fire District, to make a declaration of fire danger and declare certain conditions within the City limits; and

**Whereas** the fire danger in Hurricane City is deemed to be High; and

**Whereas** fireworks are known to be one of the causes of wildfire;

**Whereas** the conditions are not expected to improve over the next months; and

**Whereas** brush and structural fires constitute a threat to life and property in the City of Hurricane; and

**Whereas** the celebrations of July 4<sup>th</sup> and July 24<sup>th</sup> are traditionally associated with the use of fireworks; and

**Whereas** it is in the best interests of the City, its residents, businesses, and visitors that the dangers and potential damage and/or injury associated with fires be minimized by the exercise of caution and advanced planning calculated to help reduce the threat of such potential dangers and harm.

**Therefore**, I John W. Bramall, Mayor of the City of Hurricane, do **proclaim** Condition 2 as described below and contained in the Hurricane City Code within the City limits of Hurricane.

Condition 2:

1. Fireworks may be discharged beginning on June 23 and ending on July 27; beginning on December 29 and ending on December 31; and two (2) days before and on the Chinese New Year.
2. Fireworks may not be discharged in any area within two hundred feet (200') of dry brush, vegetation, or buildings.

Proclaimed this 18<sup>th</sup> day of May, 2017
