

**HURRICANE, UTAH
REQUEST FOR STATEMENTS OF QUALIFICATIONS AND EXPERIENCE
FOR ENGINEERING SERVICES
FOR THE HURRICANE AIRPORT**

I. INVITATION

Hurricane, Utah (referred to herein as "Sponsor"), as the owner of the Hurricane Airport, is requesting statements of qualifications and experience from consulting firms ("Proposers") qualified and experienced in the field of airport engineering services.

The Sponsor plans to award a five-year contract for airport engineering services subject to review on an annual basis for any and all engineering projects subject to federal assistance under the Airport and Airway Improvement Act of 1982, as amended, or other sources of funding.

The contract will be for the basic airport engineering consulting services as defined herein. Hurricane City reserves the right to inquire into the prospective proposal's ability to provide professional services, as defined below, and to amend the Schedule of Projects and contract Scope of Work at the sole discretion of Hurricane City, on behalf of the Hurricane Airport, to include any or all of the below-listed services.

Contemplated projects under this contract may include any of the following projects:

1. Install Airfield Lighting
2. Install Weather Reporting Equipment
3. Construct Terminal Building
4. Reconstruct Apron
5. Pavement Preservation- Ongoing Design and Construction

All projects are dependent upon federal Airport Improvement Program (AIP) funding, state funding, and approval from the Sponsor. Therefore, it shall be understood that some of the services related to the above-listed projects may be deleted or modified. The Sponsor reserves the right to initiate additional services not included in the initial procurement.
