

# CONSTRUCTION NOTICE

## Project Start Notification

### OVERVIEW

- American Civil Contractors has been awarded the SR-7 (Southern Parkway); Sand Hollow to SR-9 Project.
- **Initial anticipated hours of construction will be from 7:00 a.m. to 5:00 p.m., Monday through Friday. Work is anticipated to start March 9, 2020.**
- Segment Five is an eight-mile portion of the Southern Parkway that will complete the overall connection between I-15 in the south and SR-9 in the north. It is located entirely within the City of Hurricane. Segment Five will run from 4300 West to SR-9.
- Work will begin at the north end of the project at approximately 2770 west street.

### WHAT TO EXPECT

- 2770 west street will be closed during construction.
- Alternate Access will be provided to the Canyon RV Park. Alternate access entrance at 2600 west street, North of Quality Inn Hotel.
- Relocation of Mailboxes to the Canyon RV Park.
- Lane restrictions.
- Traffic shifts.
- Access limitation and future relocation of entrance to the RV Park.
