PURPOSE

It is the purpose of a conditional use permit to allow flexibility in zoning, by permitting a discretionary review of a project or use that by its character may not be compatible with uses which are permitted in the zone and allowing such use when it can be found to be compatible with the neighborhood in which it is located.

WHEN REQUIRED

The conditional use permit is primarily required whenever the Land Use Ordinance specifies the use as a conditional use. It is also used for other specified situations such as allowing building heights that exceed the maximum allowed within the zone.

APPROVAL STANDARDS (From Section 10-7-9 of Land Use Code)

a. Standards for a reception center:

- (1) Hours of operation must be compatible with adjoining uses and comply with Hurricane City noise regulations.
- (2) Parking must be provided.
- (3) The use of on street parking to provide up to forty percent (40%) of the required parking may be permitted if adjoining uses are not residential uses and the street is fully improved.
- (4) The center must have an approved site plan.
- (5) If beer, wine, or other alcoholic beverages are served, the center must be licensed by the State Alcohol Control Board.

b. Standards for an agricultural industry:

- (1) Adequate fencing and/or enclosures must be provided to ensure animals and fowl are confined safely and in conformance with acceptable animal husbandry standards.
- (2) Applicant must provide a plan for how manure will be handled to prevent it becoming a nuisance and must follow the plan.
- (3) Evidence must be provided on how the applicant will maintain control of flies and vermin.

c. Standards for a public stable:

- (1) Adequate fencing and/or enclosures must be provided to ensure horses are confined safely and in conformance with acceptable animal husbandry standards.
- (2) Applicant must provide a plan for how manure will be handled to prevent it becoming a nuisance and must follow the plan.
- (3) Evidence must be provided on how the applicant will maintain control of flies and vermin.
- (4) Site must contain adequate off-street parking for customers. All trailers must be contained on site.

d. Standards for an assisted living facility:

- (1) The facility shall comply with building, safety, and health regulations applicable to similar structures.
- (2) The facility shall be licensed by the State of Utah.
- (3) A site plan shall be approved for the facility to ensure adequate parking and landscaping are installed.

e. Standards for greater heights:

- (1) The height may not be greater than two stories or 1.5 times the average height of the immediately adjacent buildings, whichever is greater and the building must be of compatible architecture with immediately adjacent buildings.
- (2) A greater height conditional use permit may not be issued for a flag lot if the proposed structure is higher than the average height of all residential structures within a 300-foot radius of the proposed structure.
- (3) A greater height accessory building must be set back a minimum of five feet from side and rear property lines when the adjoining property is zoned or used for single family residential use

f. Standards for greater size:

- (1) The greater size building desired must be of compatible architecture with immediately adjacent buildings.
- (2) At least 50 percent of the lot on which the building is located must remain free of buildings.
- (3) The building must be for a use permitted in the zone in which it is located.

h. Standards for metal buildings:

- (1) In Residential (R-1) Zones the height and size may not be greater than permitted in the zone.
- (2) The building must meet the following design standards:
 - (A) Exterior building materials shall be durable, require low maintenance, and be of the same or higher quality as surrounding developments.
 - (B) Details of proposed colors and materials, including color chips, samples, and colored building elevations, shall be shown on building plans when a development project application is submitted. Colors shall be compatible with surrounding structures.
 - (C) Reflective surfaces or colors which may produce excessive reflections or glare that may create a potential safety problem are prohibited.
 - (D) In a commercial zone the faces of the building visible from nearby streets must include architectural relief items of non-metal materials including wood, stone, or stucco.

APPEALS

Any person adversely affected by a decision regarding the transfer, issuance, or denial of a conditional use permit, may appeal such decision to the Board of Adjustment by filing written notice of appeal, stating the grounds therefore within fourteen (14) days from the date of the decision. The appeal is filed with the Clerk of the Board of Adjustment located in the Planning Department. The decision of the Board of Adjustment is final unless appealed to a court of competent jurisdiction with thirty (30) days from the date of decision of the Board of Adjustment.
