

Kevin Thomas Candidate Profile

I have six children and twelve grandchildren who all live in the area. I will protect those things that we hold dear and value about this place we call “Home”.

I was privileged to have served on our city council once before. I worked diligently to preserve our way of life and to protect our values and our rights as individuals and as property owners. I will build on that record to make it even better. The experience that I gained was invaluable and now I understand even better how to represent “You”.

I know what matters. Knowing what questions to ask and being able to understand the issues well enough to make an informed and wise decision comes with practice and experience. I have a record that I am proud of.

I will do everything in my power to prevent the overreach of government. I will protect and defend our peace officers and all those who protect us. I will continue to stand up for what is right, even if I have to stand alone. I will honor my oath of office to defend and protect the Constitution of the United States. I would appreciate your support and vote!
