# AMENDED FINAL SITE PLAN REVIEW (General Information)

## PURPOSE

The final site plan review process is established to encourage adequate advanced planning and assure a quality environment for the City. Such procedure is intended to provide for orderly, harmonious, safe, and functionally efficient development consistent with priorities, values, and guidelines stated in the various elements of the Hurricane City General Plan, and the Land Use Ordinance, and to protect the general welfare of the community. Once a site plan is approved, substantial changes to that site plan can be made only upon approval of an amended final site plan.

## WHEN REQUIRED

The amended final site plan review is only required on substantial changes to the following types of projects:

- a. Any multiple-family residential use.
- b. Any public or civic use.
- c. Any commercial use; or
- d. Any industrial use.

When an amended final site plan approval is required, no building permit for the construction or alteration of any building, structure, or other improvement to the site shall be issued prior to approval of the site plan. No cleaning, grubbing, drainage work, parking lot construction, or other site improvement shall be undertaken prior to amended site plan approval.

## PROCESS

Upon application and payment of applicable fees, the Planning staff will review the amended plan, and prepare a report and recommendation for the Planning Commission. This will be reviewed at a public meeting where the applicant should attend, present the project, and respond to questions from the Planning Commission. Since it is a public meeting, members of the public may also have questions or comments. At the public meeting the Planning Commission will review the application and staff's report, and approve, approve with conditions, or deny the final site plan amendment.

## APPEALS

The decision of the Planning Commission is final unless an appeal is made. A timely appeal must be filed with the Board of Adjustment located in the Planning and Building Department and heard by the Board of Adjustment. The decision of the Board of Adjustment is final unless appealed to a court of competent jurisdiction within thirty (30) days from the date of decision of the Board of Adjustment.
